

The Rolling Stones, St Mary's Stadium - Park & Ride Information

Thank you for using the Park and Ride for The Rolling Stones.

Any bookings made online after the 21st May will not receive a hanger via post. These will be given to you on the day – please present your confirmation email from Paypal to one of our stewards who will issue your hanger and direct you to your space.

If you have purchased a Disabled Parking Space, please display both your Blue Badge and your parking hanger in your windscreen and you will be directed to an accessible space near to the shuttle buses.

If you arrive outside of the estimated time of arrival you gave when booking don't worry – we have plenty of buses to get you to the stadium!

Getting To The Car Park

Post Code: SO50 5PE

Address: Wide Lane, Eastleigh

Please note that sat nav's are not very accurate due to the large space surrounding Wide Lane. Please head for Southampton Airport Parkway Train Station and Wide Lane is directly opposite. There will be signage directing you to the site and our stewards will give additional direction on entry.

Toilet facilities are available within the Pavilion, along with a vending machine.

Please note that only small bags will be permitted once you arrive at the concert so please leave non-essential items in your car. Full details of what you can and can't take into the stadium can be found here southamptonfc.com/rolling-stones

On The Buses

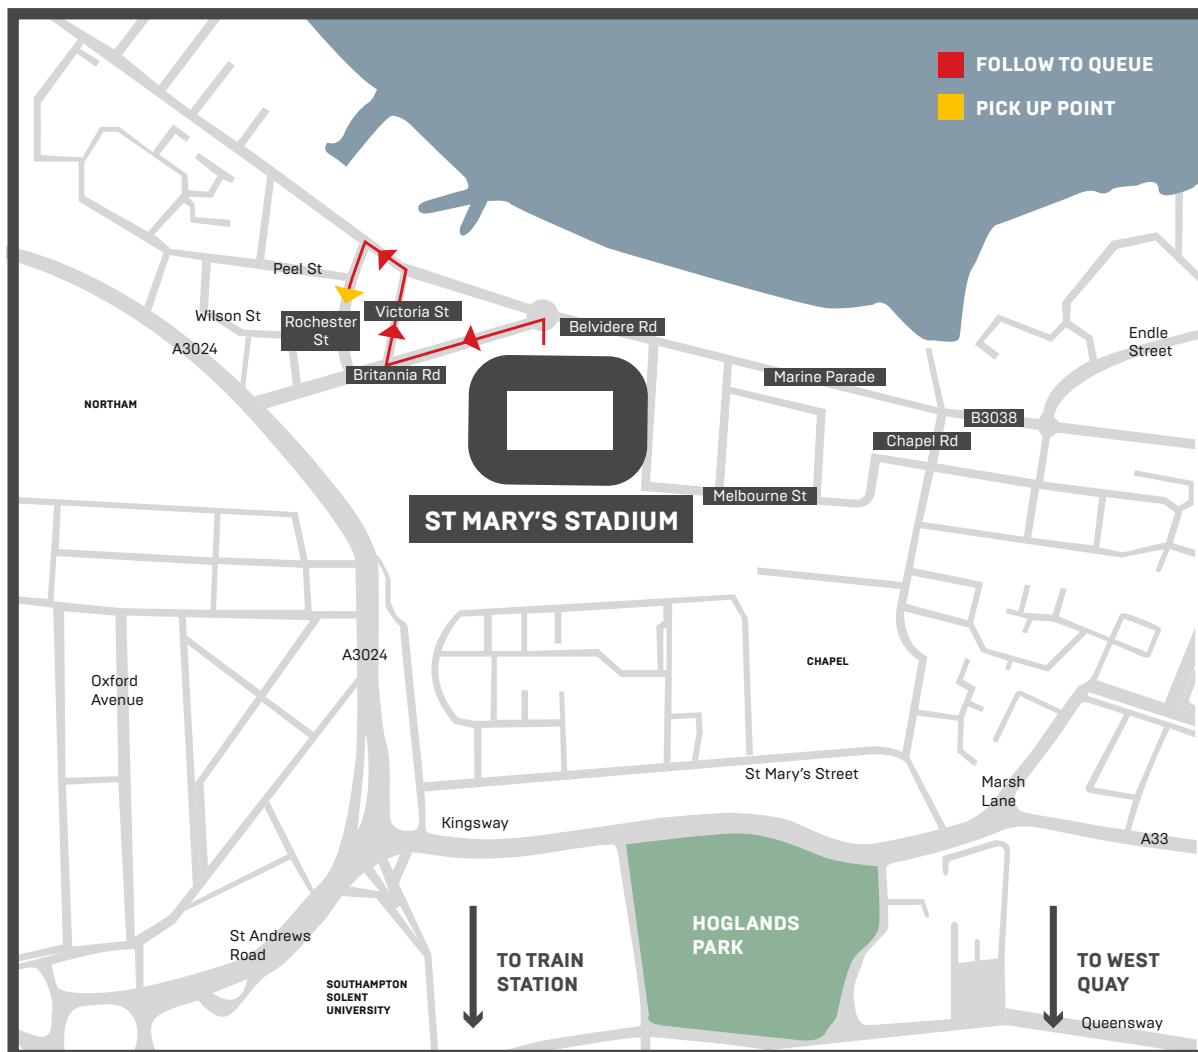

We do **not** require proof of purchase to board a bus in either direction.

We do ask that when boarding the bus that we fully load **upstairs** before downstairs. This will help passengers who are unable to climb the stairs, and will ensure the buses are quicker and more efficient – especially important after the concert!

We will aim to dispatch buses every 10 minutes. There will be severe traffic around the Stadium after the concert, and because of this there may be a short wait. We will endeavour to get you back to your car as soon as possible, although it is advisable to make use of the facilities at the stadium before making your way to the pick up point.

Thank you for using CES Parking, we hope you enjoy the concert!
